You’re the lifter of my head. (repeat last 2 lines)

Verse 2

I cry out, you answer God, From your holy mountain,
I will sleep and wake again, For it’s God who helps me.
Though there are ten thousand foes, coming from all angles,
I will not give in to fear.

Verse 3

Stand up Lord, arise my king! Save me from the devil,
Strike-my foe upon the jaw, break his teeth together.
Rescue only comes from God, from-the highest heaven
May you bless you’re people Lord
